
SLR GROUP GLOBAL QUALITY POLICY

The SLR Group is one of the world's leading global environmental and advisory consultancies and is committed to defining and meeting the needs and expectations of our clients and other interested parties in a planned, systematic, ethical, professional, timely and cost-effective manner and in accordance with contractual and statutory requirements.

We are committed to:

- Communicating this policy to all our staff.
- Setting, communicating, monitoring and reviewing (annually or at shorter intervals if deemed necessary) quality objectives to support our business objectives.
- Complying with relevant legislation, professional codes of practice and standards.
- Establishing appropriate processes to ensure our clients' and other interested parties' needs and expectations are met.
- Developing and implementing appropriate business systems to support key business processes.
- Training and development of staff in all aspects of quality management as well as professional skills.
- Taking steps to promote the SLR Group's quality management principles within our supply chain.
- Continuously improving the quality of our services and deliverables through monitoring the performance and effectiveness of our management system.

The SLR Group Management Executive has approved this Policy and is responsible for monitoring and reviewing its implementation and effectiveness and the content of procedures and training material. This will be done on an annual basis or upon any changes in relevant legislation.
